

WHO WE ARE & WHAT WE DO

Supplying and campaigning for Fair Trade since 1979. Equal Exchange Trading is a 100% Fair Trade company and workers co-operative distributing premium Organic and Fair Trade products to the natural food sector. Choosing Equal Exchange isn't just about delicious products. You're also making a big difference to the small farmers who grow this gorgeous food, and wherever possible processed and packaged at source ensuring added value for their product. Why? Because they're often victims of unjust economics. Working with them is the whole reason we went into business: we enable them to achieve a more sustainable way of life.
